

“Search for a Community” Web Information Form

Consumers are now able to search for a community on the HBAL.com website. The search button is located on the left side of the home page, where consumers are also able to search for a builder, remodeler, product/service, and new home. The “Search for a Community” tab links to the website, www.LouisvilleNewHomeGuide.com, which displays a map and allows consumers to search by price point, type of home, and county.

The addition of this search feature has been created as a member benefit. We believe that consumers who use our website will likely search for a home based on location or neighborhood community first before looking for individual builders by name.

In an effort to ensure that we have the most up-to-date information in our “Search for a Community” section of the site, we ask that you take just a couple of minutes to complete this form and return it to Tara Brinkmoeller by email at Tara@hbal.com. Feel free to attached one JPEG photograph of your community to be used with your listing. **Please complete a separate form for EACH community you wish to have listed on this search function. This feature can list communities in Bullitt, Jefferson, Oldham, Spencer, and Shelby Counties.**
